Danbury City Council  
155 Deer Hill Avenue  
Danbury, CT. 06810

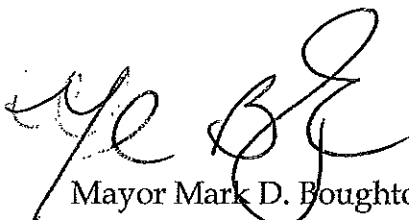

Dear Members of the City Council:

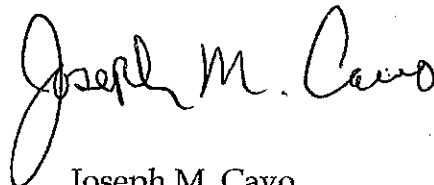

An opportunity has arisen for which we believe will be extremely beneficial to City of Danbury. As you may or may not know the tenant who was renting the Chow House at the Farrington property has decided not to renew the lease and will be vacating the premises.

In a very similar situation to the Cottage at Bear Mountain, we have a Danbury Police Officer who has expressed an interest in leasing the Chow House at the Farrington Property. In light of some current events in that area and the fact that the lease at Bear Mountain has proven to be so successful throughout these years, we strongly believe that a similar lease arrangement with another Police Officer at Farrington would be most beneficial to City of Danbury and its interests at that location.

We are therefore requesting that an Ad Hoc committee be established at your earliest convenience in order to investigate this opportunity and make a recommendation to the entire City Council.

With our best regards,

  
Mayor Mark D. Boughton  
Mayor, City of Danbury

Dear Joseph Cavo,

My name is Peter Elste and I am writing you this letter with the interest of renting the " Chow House" located at 125 Mill Plain Road in Danbury CT. I have recently heard that it is vacant.

I have been a Danbury Police Officer for approximately 13 years and I am looking for a place to live. I am willing to provide any special needs or attention to the property owned by the City of Danbury.

Please advise me if this is of any interest to the City.

Regards,

Peter Elste
